### Signage – \*\*Enquire for Custom Signage\*\*

Self-Adhesive sticker ready to peel and stick, 150mm v 200mm, Hygienic – wipeable and waterproof

Code: PP01

Self-Adhesive sticker ready to peel and stick, 300mm x 100mm, Hygienic – wipeable and waterproof

Code: PP02

Self-Adhesive vinyl – image will wear with continued use – Waterproof

\*Must be applied to smooth surface like a tiled floor, will not stick to wood, brick or dusty surfaces

Code: PP03

Please note: Stickers are designed for use indoor only with smooth floors, they have a very low slip index and are waterproof. They will not stick to rough or uneven surfaces and the surface will need to be clean and dirt free. They may stick to carpet, but they are not specifically made for carpet, so we cannot confirm how long they will last once applied, plus once you take them off the glue may ruin the carpet tile.
